

Modeled after the National Press Club in Washington, First Coast Tiger Bay Club provides a forum for public debate of political issues affecting our lives, our community, and our world. The Tiger Bay Club does not support political candidates, nor does it take sides with political issues. While much of the world follows key political issues through the media, the members of First Coast Tiger Bay Club receive information "straight from the Tiger's mouth."

THE "FANG AND CLAW"  
CERTIFICATE

Tiger Bay is known for the tough questions from its members. Good questions are the key to a successful Tiger Bay meeting. We recognize the best question asked at each meeting with the presentation of a "Fang and Claw" certificate.

The First Coast Tiger Bay Club is a political forum for hearing candidates for public office and informing our members about crucial issues of the day by interacting with outstanding speakers in an open format. The club is non-partisan, and supports neither particular candidates, nor sides on any issues.

Speakers include political candidates, elected officials, opinion makers and "movers and shakers." Modeled after the National Press Club in Washington, Tiger Bay provides a neutral setting for reasoned public discourse.

While much of the world follows key political issues filtered through the media, the members of First Coast Tiger Bay Club, get their facts first hand. Members (only) ask frank questions and are known to use the Tiger's "Fang and Claw" to elicit a speaker's thoughts devoid of pretense or "spin".
